ALL money raised from this training will go to support the Al Forthan Memorial Scholarship.

The purpose of the scholarship is threefold: to honor Al, award scholarships to students from low income and addicted families and encourage students to explore how addiction has impacted our community and the solutions to this complex problem. Al was the first alumnus to work at the MRC. He worked from his heart and brought love, wisdom, integrity, humility, and a deep passion and commitment to recovery. Al touched the lives of hundreds of men and was the ultimate role model of recovery. Scholarships totaling \$65,000 were awarded in 2015 to 27 high school seniors throughout Oregon.
