

Ecova – Featured Corporate Volunteer Partner

Over the past 3 years, 20 Ecova employees have volunteered for projects with the Family Relief Nursery and Lambert House. This month, they spent one day at both! They started out the morning hosting an OMSI field trip with children from our Family Relief Nursery and spent the afternoon making snowmen pine cones and visiting with the elders at our Lambert House.

*Thanks to Tamera, Maitri, Russell, and Elizabeth for hosting this month's project!
And to Kelley for bringing family members and donations to the YPS Holiday Community Night!*
