

# PGE at the Family Relief Nursery

A huge thank you to the 20 volunteers from PGE's Public Policy department for their wonderful care-taking of our Family Relief Nursery. Their donations of cash, tools, and volunteer time spreading park chips, cleaning toys, power washing, painting graffiti made this program shine and put smiles on the faces of the children and parents we serve!

During reflection, volunteers shared that they will remember the program's success rate, getting out together, being self-directed, and reminding friends with kids to wash their toys. One said, "This is one of the best organized and communicated projects we've done!"
