Volunteer Criminal History FCRA Disclosure

In connection with your volunteer application, please be advised that we will obtain a criminal history report, in accordance with the Federal Fair Credit Reporting Act (FCRA), to be used in determining your fit for our volunteer opportunities. This criminal History report is considered a "consumer report" under the FCRA and will be obtained from a "consumer reporting agency" as defined in the FCRA.

A *consumer reporting agency* is any person, which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly assembles or evaluates consumer credit information or other information on consumers for the purpose of furnishing consumer reports to others, such as Volunteers of America Oregon.

A *consumer report* means any written, oral or other communication of any information by a consumer reporting agency bearing on your credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing your eligibility for employment or volunteer purposes.

We will also run your name through the federal exclusion list with Office of the Inspector General (OIG). As a recipient of federal funds and a participant in the federal Medicaid system, VOAOR is required to run all staff, contractors and volunteers through the national database upon hire/service and monthly thereafter.

Volunteer Criminal History Authorization Form

I hereby authorize Volunteers of America Oregon to perform a monthly OIG exclusion list review and to obtain a criminal history report about me from a consumer reporting agency and to consider this information when making decisions regarding my suitability for volunteer service at Volunteers of America Oregon. I understand that I have rights under the Fair Credit Reporting Act (FCRA), including the rights discussed in the FCRA Disclosure provided to me. This report may be delivered in either written or electronic form.

I understand that information collected during this background check will be limited to what is needed to determine my suitability for volunteer service and that all information collected during the check will be kept confidential. In the event that information from a criminal background check is utilized in whole or in part to disqualify me from volunteer service, I can request that Volunteers of America Oregon provide me with a copy of the report based on my rights under the FCRA.

I understand that if my name results in a soft match (i.e. same name) to a name listed on the federal exclusion list, I may be required to provide VOAOR with my social security number in order to negate the soft match.

By signing below, I give my permission to those individuals or organizations contacted for the purpose of this background check to give their full and honest evaluation of my suitability for the described volunteer position and other information that they deem appropriate.

This Authorization will continue in effect during any period of volunteer service until such volunteer service terminates.
